

## **REPRESENTATIVE FINE ANNOUNCES DETAILS FOR 2019 BREVARD DELEGATION MEETING**

FOR IMMEDIATE RELEASE  
NOVEMBER 26, 2018

(Palm Bay, FL) Today, Representative Randy Fine, the Chairman of the Brevard County Legislative Delegation, announced the various deadlines and procedures associated with the Delegation's annual meeting. This follows the November 15th announcement that the meeting will be held on January 15th, 2019 in the Palm Bay City Council Chambers located at 120 Malabar Road in Palm Bay. The meeting will start at 5:00 PM and end at 9:00 PM.

"Last year, approximately 100 individuals and groups took advantage of this once-a-year opportunity to address our entire six-person delegation at once," Representative Fine stated. "With so much to cover in a four-hour meeting, we are releasing a speaking request form, details on how to file a local bill, and relevant deadlines to be placed on the agenda. I hope this information makes it easy for Brevardians to participate in this open and accessible process."

The Brevard Delegation consists of six members of the Florida Legislature: Representative Randy Fine (R-District 53), who serves as Chair; Senator Debbie Mayfield (R-District 17), Senator Tommy Wright (R-District 18), Representative Rene Plasencia (R-District 50), Representative Tyler Sirois (R-District 51), and Representative Thad Altman (R-District 52). Any additional questions relating to the Delegation Meeting, or any of the processes to be placed on the agenda, can be sent to Representative Fine's office.
