1006.72 Intercollegiate athlete compensation and rights.—

The Legislature finds that intercollegiate athletics provide intercollegiate athletes with significant educational opportunities. However, participation in intercollegiate athletics should not infringe upon an intercollegiate athlete's ability to earn compensation for her or his name, image, likeness, or persona. An intercollegiate athlete must have an equal opportunity to control and profit from the commercial use of her or his name, image, likeness, and persona and be protected from unauthorized appropriation and commercial exploitation of her or his right to publicity, including her or his name, image, likeness, and persona. Moreover, an intercollegiate athlete's inability to participate in intercollegiate athletics due to an injury should not impair her or his future health or academic success.

(2) INTERCOLLEGIATE ATHLETES' COMPENSATION AND RIGHTS AND POSTSECONDARY EDUCATIONAL INSTITUTIONS RESPONSIBILITIES.—

(a) An intercollegiate athlete at a postsecondary educational institution may earn compensation for her or his name, image, likeness, or persona. Such compensation must be commensurate with the market value of the services provided. To preserve the integrity, quality, character, and amateur nature of intercollegiate athletics and to maintain a clear separation between amateur intercollegiate athletics and professional sports, such compensation may not be provided in exchange for athletic performance or attendance at a particular institution and may only be provided by a third party unaffiliated with the intercollegiate athlete's postsecondary educational institution.

(b) A postsecondary educational institution may not adopt or maintain a contract, rule, regulation, standard, or other requirement that prevents or unduly restricts an intercollegiate athlete from earning compensation for the use of her or his name, image, likeness, or persona. Earning such compensation may not affect the intercollegiate athlete's grant-in-aid or athletic eligibility.

(c) A postsecondary educational institution may not
compensate a current or prospective intercollegiate athlete for her or his name, image, likeness, or persona.

(d) A postsecondary educational institution may not prevent or unduly restrict an intercollegiate athlete from obtaining professional representation by an athlete agent or attorney engaged for the purpose of securing compensation for her or his name, image, likeness, or persona. (e) Grant-in-aid, including cost of attendance, awarded to an intercollegiate athlete by a postsecondary educational institution is not compensation for the purposes of this subsection, and may not be revoked or reduced as a result of an intercollegiate athlete earning compensation or obtaining professional representation under this subsection.

(f) An intercollegiate athlete under the age of 18 years must have any contract for compensation for her or his name, image, likeness, or persona approved under ss. 743.08 and 743.09.

(g) An intercollegiate athlete's contract for compensation
for her or his name, image, likeness, or persona may not violate this subsection.

(h) An intercollegiate athlete may not enter into a contract for compensation for her or his name, image, likeness, or persona if a term of the contract conflicts with a term of the intercollegiate athlete's team contract. A postsecondary educational institution asserting a conflict under this paragraph must disclose each relevant contract term that conflicts with the team contract to the intercollegiate athlete or her or his representative.

medical benefits, the postsecondary educational institution must

provide coverage under sub-sub-subparagraph II. or sub-sub-

subparagraph III., or a combination thereof, beginning with the

first dollar of a claim. If coverage is secured under sub-sub-

subparagraph I., any deductible, copay, or coinsurance amounts

must be paid by the postsecondary educational institution. If

coverage is secured under sub-sub-subparagraph II. or sub-sub-
