61 Be It Enacted by the Legislature of the State of Florida:

62
63 Section 1. Section 1004.933, Florida Statutes, is created
64 to read:

65 1004.933 Graduation Alternative to Traditional Education
66 (GATE) Program.—

67 (1) LEGISLATIVE INTENT.—

68 (a) It is the intent of the Legislature to create an
69 alternative pathway to education and workforce opportunities for
70 students who have withdrawn from high school prior to
71 graduation.

72 (b) It is the intent of the Legislature to affirm the
73 unequivocal value of a standard high school diploma as the
74 primary education credential by which students access higher
75 education and workforce opportunities. Further, the Legislature
76 affirms that parental consent is required for a student under 18
77 years of age to withdraw from high school prior to graduation.

78 (c) The Legislature intends to expand opportunities for
79 students to complete high school courses and earn a standard
80 high school diploma.

81 (d) The Legislature recognizes that when a student
82 withdraws from high school prior to graduation, the student has
83 not received the full value of a taxpayer-funded pre-K-12
84 education, and therefore lacks the education credential
85 essential to gainful employment and future educational
86 opportunities. Therefore, the Legislature intends to provide an
87 alternative pathway program, waiving tuition and fees for the

20247032er

88 program for participating students who have not earned a
89 standard high school diploma.

90 (2) PROGRAM CREATION.—The Graduation Alternative to
91 Traditional Education (GATE) Program is created within the
92 Department of Education.

93 (3) DEFINITIONS.—As used in this section, the term:

94 (a) "Career education program" means an applied technology
95 diploma program as defined in s. 1004.02(7) or a career
96 certificate program as defined in s. 1004.02(20).

97 (b) "Institution" means a school district career center
98 established under s. 1001.44, a charter technical career center
99 established under s. 1002.34, or a Florida College System
100 institution identified in s. 1000.21.

101 (4) PAYMENT WAIVER; ELIGIBILITY.—

102 (a) Notwithstanding any other provision of state law, an
103 institution shall waive 100 percent of the registration,
104 tuition, laboratory, and examination fees for a student
105 participating in the GATE Program. A waiver provided under this
106 section after a student's first term shall be provided after
107 state aid pursuant to s. 1009.895 is applied. Instructional
108 materials assigned for use under the GATE Program must be made
109 available to GATE Program students free of charge. An
110 institution may not require payment by students of instructional
111 materials costs eligible for reimbursement under s. 1009.711.

112 (b) To be eligible for participation in the GATE Program, a
113 student must:

114 1. Not have earned a standard high school diploma pursuant
115 to s. 1003.4282 or a high school equivalency diploma pursuant to
116 s. 1003.435 before enrolling in the GATE Program;

20247032er

117 2. Have been withdrawn from high school;

118 3. Be a resident of this state as defined in s. 1009.21(1);

119 4. Be 16 to 21 years of age at the time of initial
120 enrollment, provided that a student who is 16 or 17 years of age
121 has withdrawn from school enrollment pursuant to the
122 requirements and safeguards in s. 1003.21(1)(c);

123 5. Select the adult secondary education program and career
124 education program of his or her choice at the time of admission
125 to the GATE Program, provided that the career education program
126 is included on the Master Credentials List under s. 445.004(4).
127 The student may not change the requested pathway after
128 enrollment, except that, if necessary for the student, the
129 student may enroll in an adult basic education program prior to
130 enrolling in the adult secondary education program;

131 6. Maintain a 2.0 GPA for career and technical education
132 coursework; and

133 7. Notwithstanding s. 1003.435(4), complete the programs
134 under subparagraph 5. within 3 years after his or her initial
135 enrollment unless the institution determines that an extension
136 is warranted due to extenuating circumstances.

137 (c) Subject to the availability of funds, a student who
138 meets the requirements of paragraph (b) and is enrolled in the
139 GATE Program is eligible to receive the stipend specified in s.
140 1009.895(3).

141 (d) An institution may not impose additional criteria to
142 determine a student's eligibility to receive a waiver under this
143 section.

144 (5) DEPARTMENT RESPONSIBILITIES.—In addition to
145 administering the GATE Program, the Department of Education

20247032er

146 shall perform the following duties:

147 (a) Disseminate information about the GATE Program to

152 institutions.

153 (c) Provide access to online career planning tools.

154 (6) REPORTING.—Beginning October 1, 2025, and each October
155 1 thereafter, the Department of Education shall submit a report
156 to the Governor, the President of the Senate, and the Speaker of
157 the House of Representatives on the number and value of
158 registration, tuition, laboratory, and examination fees and
159 instructional materials costs waived and reimbursed, by
160 institution; the number of students who have obtained a standard
161 high school diploma or high school equivalency diploma while
162 participating in the GATE Program; the number of students
163 completing an applied technology diploma or career certificate
164 while participating in the GATE Program; the number of students
165 participating in the GATE Program who receive a stipend under s.
166 1009.895(3); the number of students who have earned an industry
167 certification on the CAPE Industry Certification Funding List
168 while participating in the GATE Program; and the number of
169 students who completed the GATE Program. The reporting period
170 shall cover the previous academic year.

171 (7) RULES.—The State Board of Education may adopt rules to
172 implement this section.

173 Section 2. Paragraph (g) of subsection (1) of section

178 through service sites or telephone or computer networks, to the
179 following services:

180 (g) Adult education, ~~and~~ basic skills training, integrated
181 education and training, and the Graduation Alternative to

186 (1)

187 (c) A student who attains the age of 16 years during the
188 school year is not subject to compulsory school attendance
189 beyond the date upon which he or she attains that age if the
190 student files a formal declaration of intent to terminate school
191 enrollment with the district school board. Public school
192 students who have attained the age of 16 years and who have not
193 graduated are subject to compulsory school attendance until the
194 formal declaration of intent is filed with the district school
195 board. The declaration must acknowledge that terminating school
196 enrollment is likely to reduce the student's earning potential
197 and must be signed by the student and the student's parent. The
198 school district shall notify the student's parent of receipt of
199 the student's declaration of intent to terminate school
200 enrollment. The student's certified school counselor or other

210 1004.933. Additionally, the student shall complete a survey in a
211 format prescribed by the Department of Education to provide data
212 on student reasons for terminating enrollment and actions taken
213 by schools to keep students enrolled.

215 Statutes, is amended to read:

216 1003.435 High school equivalency diploma program.—

229 1009.711 GATE Scholarship Program.—

238 examination fees and related instructional materials costs for
239 students enrolled in the GATE Program. Institutions must be
240 reimbursed at the in-state resident tuition rate established in
241 s. 1009.22(3)(c).

242 (4) Each participating institution shall report to the
243 department all students enrolled in the GATE Program during the
244 fall, spring, or summer terms within 30 days after the end of
245 regular registration. For each eligible student, the institution
246 shall report the total reimbursable expenses by category, which
247 the department must consider in determining an institution's
248 award under this section. The department shall reimburse each
249 participating institution no later than 30 days after the
250 institution has reported enrollment for that term.

251 (5) Reimbursements from the GATE Scholarship Program are

253 Appropriations Act. If the statewide reimbursement amount is
254 greater than the appropriation, the institutional reimbursement

300 is dually enrolled in a workforce education program provided by
301 a career center operated by a different school district, the
302 funds must be divided between the two school districts
303 proportionally from the two funding sources. A student may not
304 be reported for funding in a dual enrollment workforce education
305 program unless the student has completed the basic skills
306 assessment pursuant to s. 1004.91. A student who is coenrolled
307 in a K-12 education program and an adult education program may
308 be reported for purposes of funding in an adult education
309 program. If a student is coenrolled in ~~core curricula~~ courses
310 for credit recovery or dropout prevention purposes and does not
311 have a pattern of excessive absenteeism or habitual truancy or a
312 history of disruptive behavior in school, the student may be
313 reported for funding for up to four ~~two~~ courses per year. Such a
314 student is exempt from the payment of the block tuition for
315 adult general education programs provided in s. 1009.22(3)(c).
316 ~~The Department of Education shall develop a list of courses to~~
317 ~~be designated as core curricula courses for the purposes of~~
318 ~~coenrollment.~~

343 complete programs through distance learning. An applicant may
344 not receive more than 10 percent of the total amount
345 appropriated for the program.

346 (5) The department shall make the grant application
347 available to potential applicants no later than August 15, 2024.

368 workforce development boards; and

372 other expenses associated with the creation of the GATE Program,
373 such as expenses related to program instruction, instructional
374 equipment, supplies, instructional personnel, and student
375 services. Grant funds may not be used for indirect costs. Grant
376 recipients must submit an annual report in a format prescribed
377 by the department. The department shall consolidate such annual

20247032er

378 reports and include the reports in the report required by s.
379 1004.933(5).

380 (7) The State Board of Education may adopt rules to
381 administer this section.

382 Section 9. Section 1011.8041, Florida Statutes, is created
383 to read:

398 If the student earned his or her diploma and credential at
399 different institutions, then each institution must receive \$500.
400 If funds are insufficient to fully fund the calculated total
401 award, such funds must be prorated among the institutions.

402 (4) The State Board of Education may adopt rules to
403 implement this section.

404 Section 10. This act shall take effect July 1, 2024.
