Sen. Blaise Ingoglia and Rep. Jeff Holcomb file Veterans Appreciation Month Bill

TALLAHASSEE, FL- Today, Senator Blaise Ingoglia (R-Spring Hill) and Representative Jeff Holcomb (R-Spring Hill) filed SB 346/HB 357 “Veteran Appreciation Month”.

The bill designates the month of November as “Veteran Appreciation Month”, and encourages counties, municipalities, public schools and residents of the state to observe the occasion with special programs and events showing appreciation for veterans across Florida.

“If anyone deserves a month to be celebrated for their dedication to keeping us free, it is our precious veterans who served this country. They deserve more than a day. They deserve to be put on a pedestal and cherished for the heroes that they are,” said Senator Ingoglia.

Rep. Jeff Holcomb said, “The United States of America has the greatest military in the world because we have the best sailors, soldiers, airmen, coasties, marines and guardians. They are the most disciplined, best trained and equipped military who have traveled the world keeping the planet safe from dictators and oppressors. Floridians deserve a whole month to show their pride for our brave veterans. We encourage everyone to take the time to thank our veterans and their families for their sacrifice.”
