**TO:** All Legislators  
**FROM:** Kathleen Passidomo, President

**SUBJECT:** 2023 Budget Conference Appointees, Joint Allocations and Schedule  
**DATE:** April 22, 2023

---

We are pleased to announce that the 2023 Budget Conference will begin on Monday, April 24. The House and Senate budgets were already aligned on many key issues, making for a smooth allocations process. The attached allocations deliver fiscally responsible levels of funding that maintain historic reserves and allow for a record number of meaningful tax relief initiatives, while at the same time respecting the budget goals unanimously passed by each chamber and those identified by the Governor, Cabinet, and state agencies.

We are grateful to all of the members and staff, particularly Chairs Broxson and Leek, who have worked so diligently throughout this process. We look forward to a successful conference next week.
